# The Sunbeam Hospitality Resort Collection

This elegant selection of our finest amenities is expertly crafted for resorts, time-shares and vacation ownership properties.

Designed for looks. Engineered for life™.

Sunbeam® HOSPITALITY

# The quality you need.
# The style they demand.

Sunbeam HOSPITALITY

The booklet you are holding in your hands is more than just a catalog – it is a testament to the fact that regardless of economic fluctuations, vacation ownership, time-share stays and resort visits continue to rise. This empowering fact is due in large part to investors and property managers – like yourself – who refuse to cut corners on any part of the guest experience. From white-glove service to upscale amenities and everything in between, a stay at your property promises relaxation, adventure and lifelong memories to everyone that crosses your threshold.

To help you fulfill that promise, we're pleased to present the Sunbeam Hospitality Resort Collection: a carefully selected family of appliances and amenities as elegant as your property and robust enough to withstand heavy daily use.

That's why we say our products are Designed for Looks, Engineered for Life™.
And we stand behind that promise as strongly as you stand behind yours.

## Mr. Coffee® Single Serve Coffeemaker

This commercial 1-cup coffeemaker makes morning pick-me-ups more convenient than ever and maximizes efficiency from every angle. Single-serve pods are more economical, and its pumpless system costs less to operate. Best of all, with no carafe, clean up has never been easier. Simple-to-follow user instructions are painted on the lid. The compact design saves space, is easy to clean, and operation is simple – brews with the touch of a button.

## Sunbeam® Spa Quality Showerhead Massager

These showerheads offer guests refreshing showers by delivering a wide choice of spray patterns from stream or massage to fine mist. Well designed, with 2.5 GPM providing excellent pressure and easy-to-read indicators make selection easy. The metal swivel ball base helps make these showerheads durable and the choice of white or chrome complement any décor.

**6913-001 (chrome)**
**6911 (white)**

6800-099

## Sunbeam® greensense™ Showerhead

True water-saving performance of 1.5 gallons per minute (GPM) these showerheads will cut your water waste by more than 40% and save money in the process. A unique swivel faceplate provides guests the “feel” of a full-flow shower, while satisfying their desire to “go green.” Plus, our pressure-compensating regulators ensure a steady flow (1.5 GPM) regardless of changes in water pressure (PSI).
